be included with the application. A copy of the Proof of Insurance will be submitted with the show application form prior to the show being scheduled and actively promoted by KSHA.

2. A preliminary showbill should be sent to the KSHA Show Chairperson at least seven (7) weeks prior to the show. Upon approval, the showbill will be returned to the Show Secretary for printing. Showbills must be provided to all KSHA members three weeks prior to the show or earlier via U.S.P.S. or e-mail.

3. Any shows adding classes after the showbill is provided to the members must notify all KSHA members via U.S.P.S or e-mail 10 days or more prior to the show. **CLASSES ADDED AT THE SHOW WILL NOT QUALIFY FOR KSHA YEAR END POINTS.**

4. The member shows shall furnish the KSHA Show Chairperson a record of the judge's placings for each class as well as all the class entries. This record should give the owners' names, horse's name and exhibitor's name, and should be received within 30 days from the date of the show. Failure to comply with this rule could result in the omission of the show results from the tabulation for Annual Awards.

5. Each Show will provide a qualified judge. (see Judges)

6. Every Member show shall appoint a Ring Committee which shall be responsible for the enforcement of the Rules. They shall operate under the authority of the KSHA Rules and Regulations. Controversial matters shall be referred to the KSHA Rules Committee whose decision shall be final.

7. Every Member show must have a competent and duly instructed Ringmaster whose duties shall be to assist the Judge by giving commands and maintaining order and safety in the ring during the showing of all classes. A Paddock Judge or Steward is recommended to check exhibitors' attire and tack prior to the class. Neither the Paddock Judge nor the Ringmaster will influence the decision of the Judge.

8. Every Member show shall furnish an announcer, concessions, clean restrooms with adequate facilities close enough for exhibitors to use between classes, and a working spigot with fresh running water placed in a position where water can be easily accessed. It is recommended to have phone numbers for veterinarian, farrier and emergency services at the office. Parking facilities should be adequate to accommodate large trailers and have solid enough footing that the vehicles do not become stuck. Every member show shall meet the qualifications of Facility Standards noted in this book.

9. If equipment is available, it is recommended the Show Committee be prepared to water down a dry ring for dust control or take adequate action to dry a wet muddy ring. In either case, suitable footing for all types of horses must be provided.

10. If the classes include those for Saddlebred horses, then stall facilities are recommended.

11. Each Member show must provide on its entry blank a space for the designation of the registration number, height, and sex of each entry. It shall be the duty of each exhibitor to give the correct height of each horse or pony measured in the shoes which will be worn at the time of showing. Recommended standard entry forms may be obtained from KSHA.

12. Judges evaluation forms are available on the KSHA website.

GENERAL RULES

1. A period of not more than 3 minutes may be allowed to enter the ring. A maximum of 5 (five) minutes will be allowed for tack changes with prearranged notification to the gate person/paddock master (and announcer, if attainable). At the expiration of this period, the gates shall be closed and no other horses will be allowed to enter.

2. The judging of a class shall be suspended for a period not to exceed seven (7) minutes to allow repair to be made to equipment or the horse re-shod. A given horse may stop a second time for re-shoeing if there is time remaining of his original seven minutes. If not, he must continue barefoot or leave the ring.

3. STALLIONS are barred from all classes restricted to Ladies in the American Saddlebred and Morgan divisions. Youth are prohibited from showing Stallions, except youth age 13 & over may show Miniature stallions in classes restricted to Miniature horses.
4. All horses shall be serviceably sound for the intended purpose.

6. Headers are required for all youth in driving classes. Headers (for other than youth) are optional in all driving classes.
7. Australian type saddles are permitted provided that they have a horn.
8. In any class, all entries must be on the same basis. It shall not be permissible for a show to accord free entries, transportation, or other expenses to any individual exhibitor.
9. In performance classes, there shall be no substitution of riders or drivers after the class has started.
10. An amateur, for horse show purposes, is one who rides or drives for the love of the sport, not as a professional for a livelihood, and who does not receive monetary payment for his/her services. All Beginners and KSHA Adult Approved classes are for amateurs only. Amateur is considered an adult 19 and over or per breed association rules.
11. Exhibitors' numbers are to be worn on the exhibitors' backs. In Hunt Seat and Western Under Saddle Classes, the number is suggested to be attached to each side of the horse. In driving, the number may be displayed on the back, on each side of the cart or on the exhibitors back.
12. Sidesaddles are prohibited in any class other than Ladies Sidesaddle and in Leadline.
13. A KSHA member shall not be required to have a USEF Amateur Card except at USEF Member shows. A professional may enter any class unless it is restricted to amateur exhibitors.
14. NON-REGISTERED HORSES--All classes not limited to a specific breed are open to both registered and non-registered horses.
15. All Classes with a Pattern or Course must have the pattern or courses posted at least one hour prior to the first class of the session for that class. Show management may post patterns prior to the show on the KSHA Facebook page, KSHA Website or by email to current members. Patterns must be visible at all times once they are posted.
16. All of the available arena shall be utilized in performance classes, unless physically impossible.
17. For the safety of exhibitors, other entries or spectators, any horse deemed unruly, unsafe or unsound may be excused or removed from the ring by the judge or show management. KSHA discourages the use of a stallion in KSHA Approved Adult Walk/Trot Classes.
18. Any conduct, inside or outside the arena, (such as, but not limited to yelling, coaching, towels, whips, bags, etc.) which disturbs or interferes with other exhibitors is prohibited. Incidents or accidents that occur outside the arena shall be addressed by the show management. This is not the responsibility of KSHA.
- 19.. References to Hackamore mean a rawhide braided, leather braided, or rope bosal. Mechanical hackamores are prohibited.
20. References to a Snaffle Bit in Western classes mean the use of a smooth snaffle bit with a broken

mouthpiece (conventional "O" ring, egg-butt, or "D" ring) and rings no larger than 4".

21. Bosals and ring snaffles with 2-4" rings may be used on any horse of any breed five (5) years and under in any Western Pleasure class.

22. References to Standard Western Bit mean the use of a curb bit that has a solid or broken mouthpiece, has shanks and acts with curb action from a curb strap or chain.

23. Any solid iron under the jaws, regardless of how padded or covered, is prohibited. No curb chain or strap less than ½ inch in width. Junior horses 5 years and younger shown western may be shown in a curb, snaffle bit or a non-mechanical hackamore/bosal or equipped based on breed association rules. Senior horses 6 years and over shown western must be shown in a curb bit with a curb strap or equipped based on breed association rules. This would allow breeds that normally are ridden two handed to be allowed to do so.

24. All horses shall be shod in accordance with the latest revisions of USDA regulations and/or individual breed requirements. Any artificial appliances other than those permitted in division rules are prohibited, except at the discretion of show management, which will be announced.

25. The Kansas Saddle Horse Association shall be recognized as an Equine Association. Mules and Donkeys allowed.

26. Rule Change Requests must be submitted via e-mail, postal service or in person to the KSHA President prior to November 1st. These proposals will be forwarded to the Forman of the KSHA Rules Forum who will present them to the KSHA Rules Forum following receipt of request. The KSHA Rules Forum will make recommendations including precise wording and rule book location to the Board of Directors (BOD). Upon approval by the BOD these change requests will be brought to the general membership at the annual General Meeting for a vote. Proposed rule changes will be presented to the membership in writing three weeks prior to being voted on. If the BOD does not recommend a proposed rule change it will return to the KSHA rules Forum. Rule proposals can only be submitted by current KSHA members.

27. A safety helmet is permitted in any class.

28. It is the tradition of the show ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed and horses be properly presented. Attire is based on traditional and general present-day customs consistent with breed standards. Judges, at their discretion, may authorize adjustments to attire due to weather related conditions. Regulation safety headgear of any style may be worn in any class, for example, a hunt-style cap may be worn in a western class.

Miscellaneous: In all classes, gloves, hunter crop or bat, and spurs are optional.

(Example: Saddleseat Pleasure 18 and under, Beginning Walk/Trot Hunt Seat Pleasure 19 & Over, Western Pleasure Junior Horse). Non-KSHA point classes will be conducted at show management's discretion. When a rail work class is split, a final run-off class is required, consisting of not more than six horses from each split. To obtain the approval an individual must fill out the official application, available on the Web site, and submit it to the KSHA Board of Directors for approval. The individual will be able to show in Adult Approved classes while approval is pending by the Board, but not until the form has been submitted. Exceptions to the walk/trot rule may be obtained from the KSHA Board of Directors in writing prior to the show. KSHA Adult Approved classes are for amateurs only.

33. Any class may be split to count for points as long as all divisions are included. Examples include but are not limited to: age of horse or rider, sex of horse or rider, type of seat.

34. When no specific KSHA rule applies, use relevant breed association rules. If this creates a conflict, refer to the rules committee.

To the best of his/her ability, the Judge will give an unbiased decision according to the rules of the class. No contact may be made with the Judge without the approval of the Show Committee and only after the exhibitor has completed showing. Upon request of the KSHA Rules Committee by the Secretary or any member of the horse show committee, the KSHA Rules Committee shall have the power to debar from showing at any member show, any or all horses or persons from the stable concerned, for such a period of time as they may determine the offense warrants. The KSHA Rules Committee will immediately notify all members of any such action.

 2. show at one KSHA hosted show.
2. KSHA will use every care to achieve accuracy in computing the show classification and tabulating the placings, but not be liable for the failure of any member show to file the results of their show nor for errors or omissions in their making thereof, nor responsible beyond the point of accuracy in computing the final ratings from the results submitted by the proper authorities of each show.
 3. The cumulative score earned by an entry within the respective classification shall be included in the reckoning of the final placing regardless of transfer of ownership within the period of competition.
 4. The entry scoring the highest number of points in its classification at Member shows held throughout the calendar year shall be considered the winner; the entry scoring the next highest number of points shall be awarded the second place; and so on until six places have been determined. In the case of a tie, the tie will be broken by the person that has the most 1st place wins, then by the most times judged in that class. No top 6 placing will be tied.
 5. In figuring the final placings for annual awards, points for classes with approved splits and/or championship or stake classes, will count toward the approved class. In cases of Western pleasure Open, English Pleasure Open and Hunt Seat Pleasure Open Championships, it shall be the option of the exhibitor/participant to

notify the KSHA Show Chairperson in writing within 10 days of the show as to which class the points should be credited. For the points to count, the exhibitor must have shown in a qualifying class. In the event of an approved split when a horse and/or rider enters multiple divisions, the highest placing received toward an approved class will be the placing recorded for year-end award calculations.

6. In any and all cases not specifically covered by the rules and regulations, the right is reserved by the Recording Secretary to follow such procedures as will, in his/her best judgment and discretion, best serve the common interest of the exhibitors, the member shows and the Association. Such discretionary judgment shall be approved by the KSHA Rules Committee.

7. Any question or dispute in connection with the computation of these awards shall be referred to the KSHA Rules Committee for decision. Its verdict shall be final.

8. A final record showing the tally and score of each entry participating at any Member show will be kept in the files of the Recording Secretary, and information in connection therewith will be available upon request for 60 days following the awards banquet.

9. Annual award points will be accumulated from the time of receipt of horse nomination and membership dues for the current years' shows.

10. Requests to donate new perpetual trophies are no longer being accepted (as of 2004). Perpetual trophies currently in circulation will be permanently retired at the discretion of the Board of Directors. Any new requests to sponsor a Special Annual Award shall be considered by the Board. Requests include a three (3) year commitment, and the award requirements shall include multiple classes or divisions.

11. KSHA encourages individual class sponsorship for any Annual Award. Class sponsors are responsible for reimbursement to KSHA for the cost of the annual award.

SHOW CLASSIFICATION

The Kansas Saddle Horse Association offers a yearly horse show rating system under the regulations set forth:

1. To qualify for an approved KSHA Show, the showbill must include 80% KSHA approved classes exclusive of stake and championship classes unless prior approval is given by the KSHA Show Chairperson. At least five (5) open classes must be included that allow entries of any breed including unregistered horses. Payback, ribbons and awards are optional. (EXCEPTION: Payback shall not be permitted in Equitation or Showmanship classes.) Alternate fee schedules at the discretion of show management.

2. It is recommended that at least 30% of the entry fees be paid back, to at least the top three (3) placings.

3. Points will be computed on the basis of: 1st place gets 6 points, 2nd place gets 5 points, 3rd place gets 4 points, 4th place gets 3 points, 5th place gets 2 points, 6th place gets 1 point. If classes are split, each division must be offered for any points to count. Any shows that are being hosted by KSHA will count for double points.

4. Six (6) placings shall be awarded in each class.

5. The use of a set of uniform show rules and the services of the Rules Committee in enforcing penalties, any horse show, by payment of the Show Fee, may become a Member show of the Kansas Saddle Horse Association and then be governed by their rules. Show Management not complying with the rules shall be put on probation and/or have its show dropped from the list of KSHA approved shows.

6. Application and preliminary list of classes must be sent for approval at least seven (7) weeks prior to said show, in order to qualify as a member show. Final showbill must include the list of classes, location, date, time, and Judge's name, entry fee and payback. Show dates for KSHA will only be approved for the season of April 1st through October 31.

7. Show application fee of \$50 per set of judged points is due with show application. Waivers can be applied for.

FACILITY STANDARDS

Calling a Show: There must be three (3) members of the KSHA Rules Committee present in order to call (cancel) a show. If only one or two members are present, they may appoint KSHA members to temporarily fill those positions. If all three committee members agree that the facilities are (or have become) unsafe or inadequate (i.e. standing water in the show arena) they may cancel the KSHA recognition for that show. From that point, no classes held will count for KSHA points. If the rules committee rules that the show arena is or has become unsuitable for horses, show management may move the show to an alternate location, or hold the show in the grass if it is approved by the rules committee as safe and adequate. **LOSS OF STATUS MUST BE ANNOUNCED, AND MUST BE DISPLAYED AT ENTRY TABLE.**

Facilities: The minimum size for any KSHA show area should be 60 feet by 110 feet, or a comparable area. The show arena must have safe and reasonably level footing that should not be more than four inches deep. Parking facilities should be adequate to accommodate large trailers and have solid enough footing that the vehicles do not become stuck.

SHOWMANSHIP AT HALTER

Only the showman is to be judged, the horse is merely a prop to show the ability of the showman. Showmanship at halter shall be a separate class from all other in-hand or halter classes. This performance class shall be judged strictly on the contestant's ability to fit and show in an in-hand or halter class. Showmanship at Halter pattern is required. Pattern to be determined by the judge and must be posted prior to the first class of the show.

APPEARANCE OF HORSE (40 points)

Horse to be in good show condition, well groomed with hair coat clean and well brushed. Mane and tail should be clean and free of tangles. Hoofs must be trimmed properly. If shod, shoes must fit properly and clinches should be neat. Horses should be groomed per breed specification. Tack should be neat, clean, and in good repair. Quarter boots are prohibited for American Saddlebred horses.

APPEARANCE OF EXHIBITORS (10 points)

Clothes and person should be neat and clean. The showman should wear suitable Western or English clothes.

SHOWING HORSE IN RING (50 points)

Walk on horse's left side, holding lead shank in right hand near halter. A tightly coiled or rolled lead shank will be considered a fault in showmanship. Horse should lead readily at a walk or trot. A pattern will be posted which requires each exhibitor to work individually. When moving the horse, be sure that the judge gets a clear, unobstructed view of the horse's action. Allow the horse sufficient lead so that he can move freely and in a straight line. Lead the horse from his left side the required distance, stop and turn to the right around the horse.

When posing the horse, stand toward the front facing the horse, but always in a position where you can keep your eye on the judge. Pose your horse with its feet squarely under it. Do most of the showing with the lead shank. Never kick your horse's leg into position. Do not crowd exhibitors next to you when lined up head to tail. When judge is observing the other horses, let yours stand if posed reasonably well. Be natural. Over showing, undue fussing and maneuvering are objectionable. For example, a 90 degree left turn is preferable to a 270 degree right turn, unless the 270 degree right turn is specifically called for in the pattern.

Keep alert and aware of the position of the judge at all times. Do not be distracted by persons or things outside the ring. Show horse at all times. Respond quickly to requests from the judge and officials. Be courteous and sportsmanlike at all times. Recognize quickly and correct faults of your horse. Keep showing until the entire class has been placed and has been excused from the ring.

K093. Beginner's Showmanship at Halter

Prior to the start of the class, the judge must walk the course and has the right to remove or change any obstacle he/she deems unsafe or non-negotiable. If three members of the Rules Committee deem an obstacle unsafe or non-negotiable, the obstacle will be repaired or removed. Riders will be permitted to inspect the course on foot without their horses during the judge's walk-through. At this time, at the judge's discretion, the riders may ask questions and/or the judge may walk the riders through the course. SUPER HORSE

General Rules – This special event is designed to promote and enhance the pleasure of riding a versatile horse. Each horse competing is allowed three people in the holding area during the entire event, with two of those people being allowed to ride chosen sections. Once the horse, people and equipment have entered the arena there shall be no changes of people or equipment once the gate has closed. A three minute timed tack change will be allowed between each discipline. Tack, Equipment and Apparel shall follow the guidelines pertaining to that discipline.

Points will be awarded based on the final placing of all eligible horses and according to the existing point schedule. Credits received in each discipline will be totaled and the score should be announced on the public address system, if possible, after totaling credits; the horse receiving the highest number of credits will be placed first in the Super Horse Competition. The horse receiving the second highest credits will be placed second and so on.

Following is a list of the disciplines. Breed rules will be used to judge each horse for each section. All riders in the competition shall comply with and follow rules of attire, equipment, class procedures, patterns, judging and conduct for the class. Preferably in this order: 1st Halter, 2nd English Pleasure, 3rd Western Pleasure, 4th One timed event, either: Barrels, Keyhole, or Poles. Show management will select which timed event.

K0119. Super Horse

WESTERN RIDING

Western Riding is neither a stunt nor a race, but it should be done with reasonable speed. It is a competition in the performance of a sensible, well mannered, free and easy moving ranch horse which can get its rider around on the usual ranch chores, over the trails, or give a quiet comfortable and pleasant ride in open country through and over obstacles.

Scoring will be 60 to 80, with 70 denoting an average performance.

The contestants will be judged on riding qualities of gaits (walk, jog, and lope), change of leads, response to the rider, manners, disposition and intelligence. It is important that the horse correctly change leads at the lope

(flying change) while riding the pattern. Lead changes should be made as near the halfway point between markers as practicable.

The following pattern and routine are prescribed. It is essential that the judge and exhibitors adhere to it.

The nine (9) small o's with crosses in them represent markers (pylons are recommended). These should be separated by a uniform distance of not less than thirty nor more than fifty feet on the side, with five (5) markers. The rectangle represents an obstacle, (one small log is recommended), just high enough to break the animal's stride. The long and sometimes twisting lines indicate the direction to travel and the gaits at which the horse is to move. The dotted line indicates walk, the dashed line jog, and the solid line lope.

Any horse not following the exact pattern will be disqualified. The judge may require an exhibitor to repeat any part of the routine. Except for junior horses shown in a hackamore or snaffle bit, only one hand may be used on the reins and hands must not be changed.

Hands to be around reins, index finger only between reins is permitted. While the horse is in motion, the rider's hands shall be clear of the horse and the saddle. Spurs or romal shall not be used forward of the cinch.

Exhibitors will enter individually to work the pattern. A copy of the required pattern for this class will be posted before the class begins.

K0120. Western Riding

Instructions for the pattern are:

1. Walk and jog over log.
2. Transition to left lead and lope around end.
3. First line change.
4. Second line change.
5. Third line change.
6. Fourth line change lope around the end of the arena.

RANCH RIDING

The purpose of Ranch Riding should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse riding outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements, and the horse's quality of movement are the primary considerations. Horse may cross enter in other Western Pleasure Classes. Pattern to be posted by the judge prior to the start of the show from optional patterns listed at the back of the book.

Class requirements:

1. Each horse will work individually; performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.
